

mardi 24 mai / Tuesday 24th May

Plain text = in English; *Italics = in French*
Texte simple = en anglais; *italiques = en français*

10:00
Inscriptions et café
 Registration and coffee
 10:00

13:30 *Cérémonie d'ouverture* Opening ceremony 13:30

14:00 **Plenary talk: Ruth Berman**
Modality Effects on Language Variation in Narrative Text Construction
 14:00

Atelier / Workshop - Grand Amphi		1 - Room AR47	2 - Room AR48	3 - Room AR49
Workshop 1: M. Hickmann & E. Soroli	Hickmann, Hendriks & Ochsenauber "Typological constraints in the expression of motion across child languages: a comparison of English, French, German, and Chinese"	<i>François & Cordier</i> "La linguistique cognitive et le changement sémantique : à propos de la polysémie du verbe 'rapporter'"	<i>Lambert-Brétière & Drapeau</i> "Le conjonctif en innu: un cas d'insubordination"	Cappelle "Do we actually need a resultative construction? A reappraisal based on data from Dutch"
	Engemann "The expression of motion events in bilingual English-French first language acquisition: evidence for typological determinants"	<i>Barnabé</i> "Échafaudage conceptuel et grammatical du 'PATH schema'"	<i>Bottineau & Lavie</i> "En basque et en inuktitut le double accord verbal ne peut être coréférent; étendue et nature du phénomène, implications cognitives"	Rosca "Lexical-constructural subsumption in the Lexical Constructional Model: Some notes on gather and collect in present-day English"

16:00 *Pause café / Coffee break* 16:00

Workshop 1 continued		Sessions générales		
Workshop 1 continued	<i>Demagny</i> "L'expression spatio-temporelle du mouvement provoqué chez les apprenants anglophones du français"	<i>Amaro</i> "Les pronoms clitiques sujets dans un parler occitan alpin"	<i>Dotte</i> "Dynamismes du système de classification génitive en iaai : glissements et adoptions."	Perek "The status of alternations in construction grammar: a sorting task experiment"
	Iakovleva "The expression of voluntary motion in contemporary Russian: typological issues and implications for second language acquisition"	<i>Lauwers</i> "L'adjectif attribut antéposé: entre prédication focalisée et spécification"	<i>Voisin-Nouguier</i> "Les marques de réciprocité dans les langues atlantiques : formes et fonctions"	Ziegeler "Are constructions dialect-proof? Type-shifting within a variational perspective"
	Soroli "Encoding and allocating attention to motion events in English, French, and Greek: typological perspectives"	<i>Abe</i> "À propos de la subjectivation de l'échelle dans 'plus que'"	<i>Alvarez & Muchembled</i> "Prédication possessive en langues uto-aztèques du Sud"	Dargnat "Composition and Construction in Parataxes"
	Hickmann & Berman (discussants)	<i>Violet</i> "les SP en [sous N] et [under N]: approche constructionnelle"	<i>Ziegler, Family & Durus</i> "Grammar as a sequential achievement: socio-cognitive perspective on English learner language productions in interaction"	Raineri "Synchronic and diachronic aspects of English and French non-canonical passives: a constructionist account"

18:30 *Apéritif de bienvenue / Welcoming apéritif* 18:30

mercredi 25 mai / Wednesday 25th May

9:00					9:00
Plenary talk: Laura Michaelis					
Syntactic Innovation and Grammar Evolution: The Role of Constructions					
<i>Pause café / Coffee break</i>					10:00
Atelier / Workshop - Grand Amphi		1 - Room AR47	2 - Room AR48	3 - Room AR49	
Workshop 2 : B. Fagard & J-M. Fortis	Fortis "The localist strand in the history of linguistics"	Cysouw "Typology without types: inducing a numeral system typology"	Morgenstern, Chang & Parisse "Children's first three argument verbal constructions in French and English: a contrastive study of donner and give"	Krawczak "A socio-cognitive and corpus-based analysis of SHAME emotions in English"	10:30
	Zlatev "Mimetic Schemas and Acts of Bodily Communication"	A. Matsumoto "Polish verbal prefixation by prze- and Japanese V-V compounding by -sugiru/-sugosu in a typological perspective: from perlocative expressions to complex event structures"	Rossi "Manner of motion in English and French child language: beyond lexicalization patterns"	Del Campo Martínez "A Lexical Constructional Approach to Illocution: The Realization of Requests"	11:00
	Risler "The signer in language space"	Toplu & Zeyrek "Motion Events in Turkish & French: An Intra-Typological Investigation"	Gradinarova-Kirova "Motion event expressions in English and French speaking two- and three-year olds"	Delbecque & Verveckken "On the importance of conceptual persistence in the grammaticalization of binominal quantifiers."	11:30
	Vuillermet "How Ese Ejja posture verbs left lying around stand for a wide range of grammatical devices"	Egan "Some prepositions in English and French: evidence from translations from Norwegian"	Andorno & Benazzo "Acquisition L2 de langues typologiquement proches: le cas des ordres de mots marqués en italien et en français"	Glynn "Concepts across Cultures. A corpus-driven and contrastive study of FATE in Polish, Russian and Ukrainian"	12:00
<i>Déjeuner / Lunch</i>					12:30
Workshop 2 continued	Carlier & De Mulder "Demonstratives and localism"	Karjus "From Nouns of Space to Adverbs of Place. Language change in the Baltic Sea Region (and Beyond)"	Aleksandrova "Référence aux procès dans des récits de fiction produits par des locuteurs quasi-bilingues russes-français"	Brunetti & Bott "Subject inversion in Romance: a corpus-based study"	14:00
	Robert "From space to syntax: the grammaticalization of deictic suffixes in Wolof"	Koptjevskaja-Tamm "Kinds of temperature evaluation from a lexical-typological perspective"	Caet "L'auto-désignation en éclosion : fonctions et premières formes de référence à soi chez des enfants anglophones et francophones"	Achard "Impersonals as abstract locational constructions: Evidence from English and French"	14:30
	Fagard, Sikora & Stosic "On the non-spatial extensions of slavic spatial deictics. A case study from Polish and Serbian."	Rice & Cox "Participant Referencing and Event Structuring through Semi-Cognate Deixis Markers ..."	Kern, Turkay & Chenu "Frequency and positional saliency of nouns and verbs in Turkish and French caregivers' speech across 2 contexts"	Sambre "A pilot-study for the causal remodeling of Italian instruments: uno strumento che serve."	15:00
	Moyse-Faurie "Spatial expressions for reflexivity and reciprocity in Oceanic languages"	Lahaussois "Middle Marking in Thulung Rai"		Galera "Verbs of instrument of communication: lexical-constructional subsumption into the caused-motion construction"	15:30
<i>Pause café et session posters / Coffee break and poster session</i>					16:00
Workshop 2 continued	Vittrant "Modality, aspectuality and temporality: grammatical evolution of the spatio-temporal morpheme /khe1/ ~ /kha1/"	Lambert-Brétière & Lefebvre "Serial Verb Constructions in Caribbean Creoles: A Relabelling Account within the Framework of Construction Grammar"	Bottineau "Syntaxe et construction du sens dans la phrase bretonne"		16:30
	Söres "Spatial preverbs in Hungarian"	Tragel "Estonian serial construction and main infinitive construction"	Rançon "Compréhension de texte et construction des connaissances lexicales. Quels enjeux cognitifs pour l'apprentissage ?"		17:00
Plenary talk: Maarten Lemmens					17:30
Inter- and intralanguage variation in the domain of static location verbs					
<i>AG de l'AFLiCo / AFLiCo AGM</i>					18:30

jeudi 26 mai / Thursday 26th May

9:00					9:00	
Plenary talk: Nick Evans						
Grammatical diversity and social cognition					9:30	
10:00					10:00	
Pause café / Coffee break						
Atelier / Workshop - Grand Amphi		1 - Room AR47	2 - Room AR48	3 - Room AR49		
Workshop 3 : Salikoko Mufwene	Chappell "Diversity in Sinitic languages: Interdialectal contact, Stratification and Hybridization"	Sessions générales	Ospina-Bozzi "Posture et position en yuhup, langue d'Amazonie colombienne"	Dunbar "Comparing speech laughs and their social-psychological functions across dialects of English"	Sáfár, Meurant, Haesenne, <i>et al.</i> "Mutual intelligibility among the sign languages of Belgium and the Netherlands"	10:30
			Ishibashi "La deixis spatiale dans l'expression du déplacement en japonais : variation intralinguistique"	Houda "La perception de la variation dialectale en arabe"	Holten & Lønning "Norwegian Sign Language (NSL) and language attitudes"	11:00
			York "La sémantique des verbes de déplacement en innu"	Eklo "Typologie des verbes en ikosso"	Cabeza-Pereiro "Modality and linguistic change in Spanish Sign Language (LSE): Obligation and epistemic necessity in the Fernández Villabrille dictionary (1851)"	11:30
			Croft "The continuity between crosslinguistic variation and language-internal variation"	Hoelbeek "Analyse diachronique de la structure sémantique et de l'évolution des prépositions spatiales françaises et italiennes contenant le mot <i>travers</i> ou <i>traverso</i> : présentation d'un cadre"	Paulin & van der Veen "Variations linguistiques de la langue <i>baka</i> (oubanguienne) au contact du <i>fang</i> (langue bantu A75)"	Reiter "Interaction between ideophones and gesture in Awetí (Tupian)"
12:30					12:30	
Déjeuner / Lunch						
Workshop 3 continued	Nichols "Growing diversity and complexity: The contributions of geography, sociolinguistics, demography, and time"	Sessions générales	Kondic "Encoding Trajectory: South Eastern Huastec (Mayan)"	Siebenborn, Krajewski & Lieven "Flat frequency distribution facilitates learning of novel morphological constructions"	Morgenstern, Caet, Blondel <i>et al.</i> "(Dis)continuity between Gesture and Language? Referring to YOU and ME in French and FSL"	14:00
			Guerrero & Belloro "Discourse evidence for the grammatical status of 'PATH' expressions in Yaqui motion events"	Mast "Learning from ambiguous and conflicting cues: A statistical model of argument structure acquisition in German"	Boutet "La gestuelle, support et substrat de significations"	14:30
			Guillaume "Grammaticalization of motion and language contact: the category of "associated motion" in lowland Bolivian languages"	Family "Generalized Action Verbs in English and Persian: Evidence from Child Language Data"	Jacob-Gobet "Développement des structures anaphoriques dans des récits d'enfants en Langue des Signes"	15:00
			O'Meara "Expression of path in Seri motion event descriptions"	Perrez & Lemmens "On the use of <i>staan</i> ('stand'), <i>liggen</i> ('lie') and <i>zitten</i> ('sit') by French-speaking learners of Dutch. Report on an elicitation study"	Oker, Akinci, Le Coz & Lhoste-Lassus "Dénomination non consciente de mots chez des enfants bilingues franco-turcs en grande section de maternelle"	15:30
16:00	Mufwene (discussant)	Ibarretxe-Antuñano & Hijazo-Gascón "Differences within the typology: Path in genetically- and non-genetically related languages"	Berthaud & Antonijevic "Path vs. manner of motion: translational equivalents and second language acquisition"	Enzinger "Emergence et premières utilisations des adjectifs qualificatifs par le jeune enfant en français et en anglais"	16:00	
16:30					16:30	
Pause café / Coffee break						
Workshop 3 continued	Peyraube "Typology, diachrony and cognition in Chinese"	Sessions générales	Iacobini & Vergaro "Manner of motion salience: Variation across and within the typological divide"	Sarda "Au fond, on peut se poser la question : <i>est-ce que les noms de localisation présentent une base propice à la formation des marqueurs discursifs</i> "	Rose "Utterance verbs: a special class of trivalent verbs in Mojeño Trinitario"	17:00
			Charters "Subject to Universal Constraints? Thematic hierarchies and grammatical functions in Ergative languages."	Schoonjans "Il y a des particules de démodulation en français"	Creissels & Pasquereau "Why do Daghestanian spatial case systems leak?"	17:30
18:00					18:00	
Plenary talk: Harriet Jisa						
Information structure in narrative texts: a crosslinguistic developmental study						
19:30					19:30	
Dîner du congrès au restaurant Fourvière / Conference dinner at Fourvière restaurant						

vendredi 27 mai / Friday 27th May

		Atelier / Workshop - Grand Amphi					1 - Room AR47	2 - Room AR48	3 - Room AR49		
9:00	Workshop 3 continued	Sessions générales	Chappell & Peyraube "The comparative construction in Sinitic languages: Synchronic and diachronic variation"			Trim "The interface between synchronic and diachronic conceptual metaphor"	Araújo "Have possessives and Be possessives as strategies in Portuguese? An empirical investigation in Cognitive Grammar"				9:00
9:30						Howard "From Image Schema to Optimal Feedback Control"	Gómez "Entre l'éveil et le sommeil : « quedar » et l'expression de la permanence et du changement."			9:30	
10:00	Pause café / Coffee break										10:00
10:30	Workshop 3 continued	Sessions générales	Siewierska & Bakker "Linguistic imperialism and the typology of the passive"			Valimaa-Blum "Where are the phonemes in exemplar theory? A cognitive view"	Delbecque & Van Gorp "Les emplois pseudo-copulatifs des verbes espagnols <i>hacerse</i> et <i>volverse</i> : deux types de changement."				10:30
11:00						Charters & Jansen "Hyponymy in Classifiers and the acquisition of plural inflection"	Van Gorp "L'emploi pseudo-copulatif des verbes espagnols ' <i>ponerse</i> ' et ' <i>quedarse</i> ': deux types de changement."			11:00	
11:30	Plenary talk: Ulrike Zeshan										11:30
12:00	Sign Language Typology - New evidence from sign languages in village communities										12:00
12:30	Cérémonie de clôture / Closing ceremony										12:30
13:00											13:00

*Tour de la ville / Walking tour in the city
(heure à préciser / time to be confirmed)*
